

Protocols for Induction and Weeding Out of Wrestling Athletes

Weeding out of KIAs.

Freestyle – Wrestlers with less than 400 total points have been considered for weeding out.

Greco-Roman - Wrestlers with less than 360 total points have been considered for weeding out.

Women's Wrestling - Wrestlers with less than 650 total points have been considered for weeding out.

In case more than one athlete has same no. of points according to the approved matrix, TIDC committee may take the final call.

Induction & Retention of KIAs.

Freestyle – Wrestlers with 400 total points above have been considered for retention & induction.

Greco-Roman - Wrestlers with 360 total points above have been considered for retention & induction.

Women's Wrestling - Wrestlers with 650 total points above have been considered for retention & induction.

In case more than one athlete has same no. of points according to the approved matrix, TIDC committee may take the final call.

Age Criteria:

Wrestlers who are 25 years in age and below have been considered for induction. Following is the high performance age for wrestling in all three events:

Freestyle			Greco-Roman			Women's Wrestling		
Wt. Cat.	Min Age	Max Age	Wt. Cat.	Min Age	Max Age	Wt. Cat.	Min Age	Max Age
57kg	22	27	60kg	22	28	50kg	22	30
65kg	22	28	67kg	24	31	53kg	21	28
74kg	24	31	77kg	24	32	57kg	24	32
86kg	21	28	87kg	25	31	62kg	23	29
97kg	22	29	97kg	23	30	68kg	22	31
125kg	23	29	130kg	23	32	76kg	26	31
Average	22	28	Average	24	31	Average	22	30

High Performance age has been calculated based on age of medalists of last 2 Olympics and last 4 Senior World Championship

The retention/induction of these athletes will be determined based on the performance in major competitions.

Induction criteria for NCOE:

- a. Induction of athletes will generally be done once a year.
- b. KIAs will be given preference to join NCOE.
- c. For leftover vacancies a merit list will be prepared based on the approved point metric by TIDC. However, open trials will be conducted if any vacancies remains.

Following will be the criteria followed in open trials:

I. Athlete Eligibility:

- Medalists of State Championships
- Wrestlers qualified up to 5th position in National Championships
- Wrestlers qualified up to 5th position in National Ranking Tournaments

II. Weight Category:

- Male – 50kg and above
- Female – 46kg and above

Four to six athletes from each of the weight categories—Lightweight, Middle Weight, and Heavy Weight—must be inducted in NCOE for better sparring. As a result, a merit list of athletes for induction will be prepared based on weight classifications.

Accordingly, the following seat allocation should be followed:

1. Seniors & U23– 30%
 2. Juniors (U20) – 30%
 3. Cadet (U17) – 20%
 4. Under 15 – 20%
- d. All newly inducted athletes will receive a welcome letter and have 15 days to join the NCOE. Their induction will be terminated if they don't join NCOE within the allotted time or provide any written confirmation. In exceptional cases extension may be granted by the competent authority based on valid reasons.

Weeding out criteria for NCOE:

- a. Weeding out of NCOE athletes will be done once a year based on their performance.
- b. Disciplinary cases will be treated as and when they arise on priority.
- c. If an athlete is absent for more than 30 days without information then he/she will be weeded out.
- d. Assessment of NCOE athletes shall be done under respective NCOEs and the performance data shall be used to determine athlete's continuation under the scheme. A warning letter may be issued by respective NCOE Incharge to the athletes who have shown declining performance.
- e. NCOE coaches can recommend athletes for weeding out, based on the justification provided by the coaches TIDC will take the decision.
